Prestige II Frame Accessories (UV42, UV22, UV18, UV20, UV09, UV26, UV57 and UV07) are available in White and Tan only and cannot be used with any other frame type listed on this page.

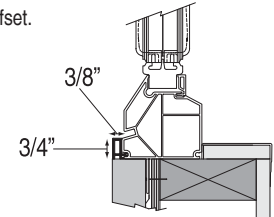

**UV42 - 2-Piece Snap Trim**

One piece fastens to window opening and the other snaps on to cover the fasteners and completes the blind stop.

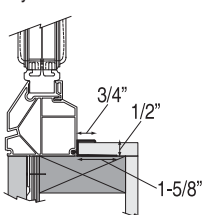

**UV22 - Frame Extender**

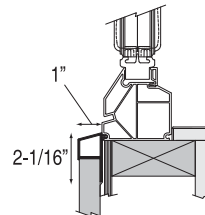

Expands frame depth to 3-1/4" and gives the window a 1-3/8" nail fin offset.

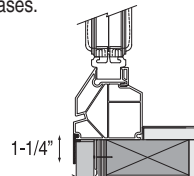

**UV18 - Drywall Return**  
Snaps on interior of frame. Provides channel for drywall.

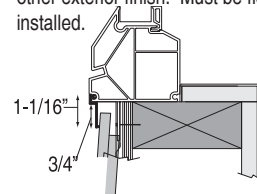

**UV20 - Snap-In Brick Mold**  
Snaps on exterior frame.

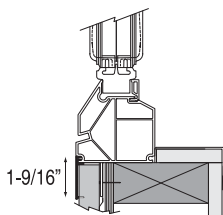

**UV09 - Sill/Jamb Extender**  
Finishes off the exterior gap where window sill meets opening sill. May also be used as jamb extender in some cases.

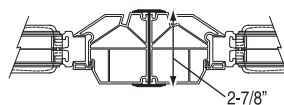

**UV26 - Siding Return**  
Snaps on exterior to cover gap where frame meets siding or other exterior finish. Must be field installed.

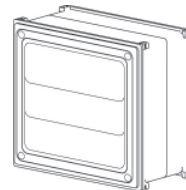

**UV57 - Stucco Flange**  
Snaps on exterior for use as exterior window trim.

**UV07 - H-Mullion**  
Slides over interior and exterior of window frame. Used to combine groups of windows in one opening.

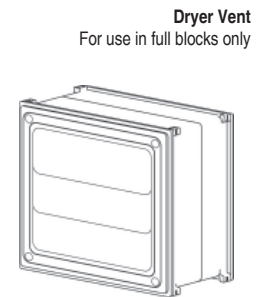

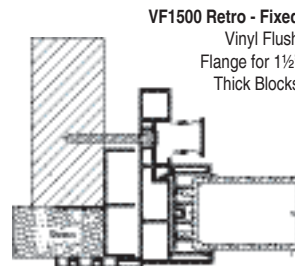

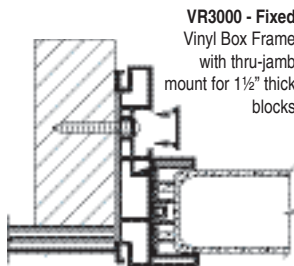

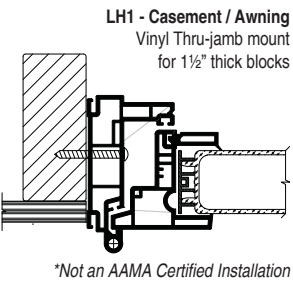

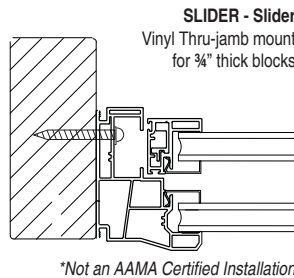

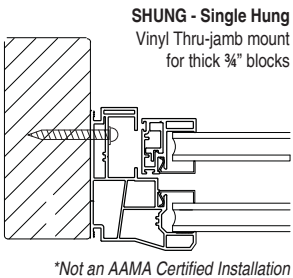

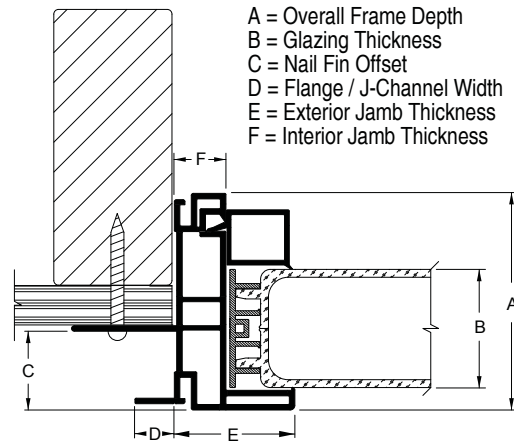

**Dryer Vent Block**  
For use in full blocks only
