A U.S. BLOCK WINDOWS COMPANY

A U.S. BLOCK WINDOWS COMPANY

This new construction Model Home proposal is intended to promote the products supplied by Hy-Lite®, a U.S. Block Windows Company. Based upon the terms and conditions noted below, we will supply the builder windows requested for the specified model home or design center.

MODEL HOME:

A model home is a newly-constructed home that is used as a display by a builder to promote the sale of homes to potential buyers in a specified subdivision.

REQUIREMENTS BY BUILDER:

Builders must install the Hy-Lite window supplied.

- Windows must be provided through a distributor or dealer. A copy of the invoice must be included with this form in order to process the Model Home Program credit. Credits are provided directly to the distributor or dealer.
• Model Home location must be provided: Street Address or Lot #, City, State, and Zip Code.
• We reserve the right to limit quantity of windows per model.
• Builder agrees to allow Hy-Lite access to photography of unit once installed.
• Offer does not apply to any previous purchases.

Failure to meet these terms and conditions will result in invoicing of all products installed in the noted model home.
